

EECS 801-Graduate Directed Readings- Petition for Approval

A maximum of 3 credit hours of EECS 801 may be counted towards degree with the approval of the advisor and the graduate committee. A student who wishes to enroll in EECS 801 under an EECS faculty member must submit a written request to the Graduate Committee no later than the end of the preregistration period for the following semester. Deadline date for Fall is June 30, Spring is November 30, and Summer is April 30. There will be no exceptions.

Once submitted the Graduate Committee will evaluate the request and either approve or deny the request.

If the request is approved, at the end of the graduate readings course the student will give the outcome of his/her effort to the Graduate Committee. The committee will evaluate the output together with the student's advisor in the course. The grade will be assigned by the student's EECS 801 instructor.
